

Breakout Post Grad Players Contract

What We're About: We are a Christian-faith based basketball program with the intent to help guide players reach their goals. We are a program that is built around our love for Jesus Christ and helping others. Our focus is to take a player and build them in all facets of the game; this includes mental and physical. Through an experienced coaching staff, we intend to work with each player individually to ensure that they are prepared to play at the next level. This program is NOT for everyone. Our program is designed to prepare players for the *next* level and play basketball at the collegiate level. Therefore, they will be treated as collegiate players and will have expectations and standards that reflect that. Our environment encourages support from players, parents and staff to the program as a whole. Yes, basketball is important, but we believe that it is bigger than basketball. We prioritize building relationships with each individual player and helping them in all areas, even the ones that go beyond the court. We look forward to working with each player to help achieve their dreams and aspirations!

Players Conduct: We will treat players as if they are in college, therefore, expectations and standards will be set to a collegiate level. Each player is expected to:

- Give maximum effort at every practice, skill session, weight lifting session and game.
- Respect **ALL** coaches and staff members.
- Follow instructions given by coaches and staff members. This goes for both on and off the court.
- Wear the correct apparel to games.
- No drugs, smoking or vaping allowed during Breakout events (what you do on your own time is up to you, though we highly recommend against it).
- Show up on time to each practice, skill session and game. You are required to find transportation to each practice, skill session and game. The program will **NOT** be providing transportation to any practice, skill session and game.
- If there are any concerns, approach coaches in a professional manner.
- Act with class and professionalism when at games.
- Watch the language (cursing).

If you break any of these rules, you are eligible for suspension from practices and games. Multiple infractions will have you eligible to be removed from the team without warning. We do not expect anyone to be perfect, but we do expect each player to conduct themselves as if college coaches are in the room watching (in a lot of cases, they will be). Coaches look at more than just the on court performance, but they want to know the player that they are recruiting is someone who is going to impact winning at their program. Thus, they expect players to follow rules, be a great teammate and conduct themselves in a professional manner (not causing trouble outside the court).

Financial Breakdown: The total tuition cost for the season will be \$6,500.00. This will include all the benefits below:

- Gym time for practices and skill sessions

- Entries into tournaments and all games
- Set of apparel
- Gym membership for weightlifting program

Please note that this tuition does **NOT** include any expenses that may have to be spent on food, gas or hotel accommodations. Each player will be responsible to provide for themselves on those costs. With that being said, no player will be required to stay overnight before or after a game, nor be required to eat at any specific place. Travel expenses will be an individual responsibility.

Payment Schedule: This is when each payment is due. Failure to complete payment by the due date will cause an immediate suspension for the player until that payment has been completed in full.

There will be a \$1,500.00 commitment fee required upon commitment (this will be deducted from the total cost)

- Payment Option 1: Pay total amount upfront. If total payment is made before September 1st, 2026, you will receive 10% off the tuition fee. Therefore, total cost would be \$5,850.00
 - \$5,850.00 due on September 1st, 2026
- Payment Option 2: Go on a payment plan. After the commitment fee, you will make two \$2,500.00 payments.
 - \$1,500.00 due on September 1st, 2026
 - \$2,500.00 due on October 31st, 2026
 - \$2,500.00 due on December 1st, 2026

ONCE A PAYMENT IS MADE (FOR EITHER PAYMENT OPTION 1, OR PAYMENT OPTION 2), THERE ARE NO REFUNDS! IF A PLAYER DECIDES TO LEAVE THE PROGRAM OR COMMITS TO A COLLEGE EARLY, THERE ARE NO REFUNDS
